- EXITS

A white, rectangular hand sanitizer dispenser is mounted on a white tiled wall. Below it is a white pedestal sink with a modern, single-lever faucet. A dashed vertical line indicates the distance from the top of the sink to the bottom of the dispenser. A small white cylindrical container sits on the sink's edge to the right of the dispenser.

Distance from table 40-50cm
(15.7-19.7in)
